Transportation bag • Propeller cover

Transportation bag

06893-ZW6-U01

- Engine head cover bag, with large carrying straps, anti UV & 100% water proof material, silver colour, black logo

Application BF2 and BF2.3

Propeller cover

06883-ZW6-U01

- Gear case and propeller protection cover, tear proof material

Application BF2 and BF2.3

Remote control cover

06881-ZW5-U01

- Single top mount remote control cover, tear proof material

Application: 06240-ZW5-U40 R/H, 06240-ZW5-U50 L/H

Remote control cover

06881-ZW5-U11

- Dual top mount remote control cover, tear proof material

Application: 06240-ZW5-U60 R/H, 06240-ZW5-U70 L/H

Protection

Flush kits

Engine flush kits

19270-ZW1-000¹

- Connector for garden hose to allow fresh water flushing
- A garden hose can be fitted directly to the flush plug using a collar

Application as from BF75 A up to BF130 A

Engine flush kits

19271-ZW1-740²

- Connector for garden hose to allow fresh water flushing
- A threaded hose joint can be attached to the hose pipe and then to the flush plug

Application as from BF75 A up to BF130 A

Engine flush kits

19271-ZY3-000

- Connector for garden hose to allow fresh water flushing

Application as from BF75DK0 up to BF225

Engine flush kits

19010-935-810

- Connector for garden hose to allow fresh water flushing

Application as from BF6B / B4 / D6 / BF8A / B / BX

Engine flush kits

19271-ZV1-000

- Connector for garden hose to allow fresh water flushing

Application as from BF4.5B / B4 / B6 / BF5/ BF8B1 / B2 / D / ,BF10 up to BF50

Engine flush kits

06190-ZV1-860

- Connector for garden hose to allow fresh water flushing

Application as from BF8D up to BF30

(1) A garden hose can be fitted directly to the flush plug using a collar.
(2) A threaded hose joint can be attached to the hose pipe and then to the flush plug.

Protection

Protection

Outboardlocks

Outboardlock "lock it once"

06248-ZW6-000HE

- Gives you the best security for your new OB motor, has high saltwater resistance and it fits directly

Application as from BF2 up to BF30

Outboardlock "lock it once"

06248-ZW5-000HE

- Gives you the best security for your new OB motor, has high saltwater resistance and it fits directly

Application as from BF35 up to BF225

Remote control waterproof alarm

06258-ZY3-000HE

- This alarm always keeps an eye on your boat. Our remote controlled waterproof system easy to fit, warns you against the following theft attempts: engine starter, engine unhook breaking of the engine compartment or of the forepeak driving console. And much more: if someone tries to cut off the mooring line and tows away your boat, the alarm will immediately sounds with anchorage and running flashing lights. Cabeling system is unique developed for Honda.

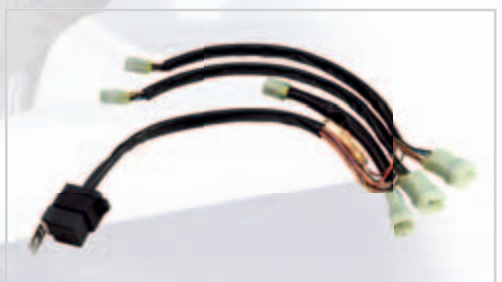

For dual installations you need to order twin engine harness adaptor.

Twin engine harness adaptor

06255-ZY3-000HE

- Needed for dual installation with alarm 06258-ZY3-000HE
